Story So Far...

Officer Kyoji Kido was one of the baddest asses in the juvenile division of the Tokyo Police Department before he was called back to active duty in Division Four...the anti-terrorist unit. A dangerous organization called ALICE, whose members could be identified by their rose tattoos, had begun to target high-level police officials, after causing the London explosion that killed Kido's younger sister. To help take them down, Kido was teamed up with a former ALICE member--a teenaged girl named Kasumi Asakura. Sick of their brand of murder and mayhem, she vowed to take ALICE down--but though a crack shot, she refused to fire anything more dangerous than plastic bullets.

When the assistant police commissioner was kidnapped by two ALICE members, Kai and Hayato, Kido and Kasumi were called in to rescue him. What they didn't know was that he had been kidnapped because he had realized there was a connection between ALICE and a secret government project during World War II where human subjects, including some brought to Japan by the Nazis, were experimented upon in order to transform them into human weapons. The project continued past the war, culminating in a woman named EIN who one day 35 years ago slaughtered 120 research scientists with a katana. The assistant commissioner was there the day she was led out of the lab, covered in gore, and he remembered her face clearly--a face that looked exactly like Kasumi's!

Kasumi was able to avoid Hayato and Kai's deadly attacks, even when Kai injected himself with a berserker drug called Rose Fever. She was able to explain why she had left ALICE, and somehow got them to stand down. Everyone emerged from the building, to the amazement of the police...but just then Kai and Hayato were taken down by gunfire from the roof, and ZERO, the leader of ALICE, jumped down from above. Wielding a katana, he deflected all the cops' bullets and started slaughtering them en masse. When Kido himself was felled, Kasumi snapped--and started speaking in German, as her personality was apparently taken over by EIN's! Her speed and reaction time improved immensely, and she fought ZERO to a standstill and cut off his forearm. Kasumi's mind started to reassert itself, and the conflict knocked her unconscious. ZERO seemed unperturbed, but picked up his arm and walked to a helicopter and flew away, swearing that he would wake EIN up soon. Also in the helicopter was a mysterious man who seemed to have government connections--a man who not long before had been watching over EIN's original body as it floated motionless in some kind of mysterious holding tank.

Kido recovered from his wounds, as did Kai except for the loss of an eye, but Hayato fell into a coma. Now, two years later, the case resurfaces...

A SEARCH OF KAZUO OGAWA'S COMPUTER REVEALED HIM AS A REPEAT VISITOR TO THIS SITE.

LOOKS LIKE A PARTICULAR GANG IN IKEBUKURO...
...IS INVOLVED IN THE DISTRIBUTION OF THE GUNS.
WHAT DO YOU MEAN?
NOW ALL FIVE ARE IN CHAOS BECAUSE OF THE SUDDEN APPEARANCE OF A NEW GANG...
...UNTIL ABOUT TWO MONTHS AGO.
THEY'D BEEN COEXISTING RATHER PEACEFULLY...
THERE ARE A TOTAL OF FIVE GANGS IN IKEBUKURO, WITH TURF IN KAWAGUCHI, TOMITA, OOMIYA, AND A COUPLE OTHER MINOR AREAS.

...THAT CALLS ITSELF BLACK ROSE.
AS SOON AS THIS NEW GROUP CAME TO IKEBUKURO, IT DESTROYED THE OLD FIVE.
SOME OF THE GANGS BROKE UP BECAUSE THEIR SENIOR MEMBERS MYSTERIOUSLY DISAPPEARED.
THEY'RE ALL ARMED WITH GUNS.
LOTS OF GUNS.
THESE GUYS MUST BE PRETTY BADASS.
THEY ARE. BUT THAT'S NOT IT.

HERE'S THE KICKER...
ALL THOSE GUNS HAVE THE ROSE EMBLEM.
GOOD QUESTION. LET ME TELL YOU WHO THEIR LEADER IS.
I THINK YOU'VE HEARD OF HIM BEFORE.
SO THEY MUST BE THE DISTRI-BUTORS.
BUT HOW COME A BUNCH OF PUNKS LIKE THEM HAVE ACCESS TO GUNS?
HE GOES BY KIRITO.

THE REASON THEY'RE DISTRIBUTING GUNS TO ORDINARY PEOPLE...
..MUST BE PART OF SOME GRAND SCHEME OF THEIRS.

THEY MUST BE PLANNING SOMETHING HUGE.
